

Dear Sir or Madam,

We are a Law Enforcement based Motorcycle Club called the "REGULADORES". Our club was originally based out of Corpus Christi, TX and was founded in 2001 with chapters throughout the USA. Our chapter here in Acadiana was started in May of 2008 and continues to grow. We are an organization that is comprised of local, state and federal law enforcement and friends of law of enforcement. We are about giving back to the community. We use monies that we collect through dues, donations, and raffles to give back to our local communities and organizations that affect our children, such as Autism and MDA

For the past 6 years we have conducted very successful Toys for Tots drives in conjunction with the United States Marine Corps Reserves. Last year we collected 24 boxes of toys for children in the Acadiana Area, which was more than most other organizations or businesses!

This year's event will be held on Saturday December 6, 2014 at Cajun Harley Davidson in Scott, LA. We are asking for any type of donation that would help us continue our success. We provide our participants a meal with the donation of an unwrapped gift, and this year we are looking to have our biggest crowd yet! We will have a DJ, Uniformed US Marine, Photos with Santa, and the Christmas Coca~Cola truck.

Again, any assistance your organization can provide would be greatly appreciated, and will help us to reach out and help those children in need in Acadiana this holiday season! Thank you for your time and consideration.

Sincerely,

Melinda Felps
